Sam Fowler Memorial Shoot 2017

Sunday 8th October 2017

Welcome to the First Whiteleaf Bowmen Sam Fowler Memorial Open Shoot .

Sam was a club member and a very popular and friendly archer who sadly died of cancer a few years ago. Her husband, and the club, are hosting this tournament in her memory. We will be shooting a Pope and Young round. The Pope and Young was, and as far as we know, last shot as a national round, back in the 1930's. It's just the kind of shoot that Sam would have loved. Be prepared for a day's chaos and laughter.

Imagine a combination of target, field and speed shooting, and you'll get the pretty close to what the shoot is all about.

The general idea is every shot is at a different distance. There are five targets. They are laid out in an arc where the closest is about 30 yards, and furthest about 70 yards.

Each 'detail' consists of five archers who are similarly positioned in an arc. After each 'round' of five arrows, the archers alter their shooting points.

One arrow is shot at each target in turn from each archer. Each five arrow 'round' is timed; starting at 40 seconds and working down to 30, then 20 seconds.

Full details of the shoot will be included with the target list and explained again on the day.

Assembly is at 10.15am. Shooting starts 10.30. No Sighters.

There will be a BBQ set up before the shoot for late breakfasts, and will open again at lunchtime. Hot drinks will be available over the day except during shooting.

GNAS members welcome; remember to bring your card.

All profit from this shoot will be donated to Sam's charity (Iain Rennie Hospice at Home), so we know you will be happy with the fee of **£10.00** per archer.

Recurve, Barebow and Longbows only please. Sorry, no compounds. The field is not large and we deemed it unsuitable to include compounds.
