Thanks to everyone who attended our competition this year. It was great to see you all having a good day with us. There were 31 entries with 27 shooting on the day. Two archers withdrew prior to the target list being produced, with two others withdrawing within 24 hours of the shoot. One archer retired during the tournament.

The weather for the day was fine, with a overcast start and getting warmer as the day progressed.

Where less than five archers were shooting in a particular round/classification only 1<sup>st</sup> place was awarded,
